

Mr. Justin Partee,

I'm writing you this letter because I want you to realize what you're doing to my family. You're firing my father which means that you're ripping apart my family. Thank you very much.

My dad has a wife and 4 kids. He already has one in college, one's a junior, one's a freshman, and one's a 6th grader. My mother is a 4th grade teacher. She loves her job. You're making my family pick up and move after my dad has been here for 20 years. He started as a Science teacher. Then went and did the A.D. job. He was also the principal. Now he's the Superintendent. He loves his job. He's at school all the time. The day that you fired him he stayed till 11:00 p.m. that night I didn't even get to say goodnight to him.

I hope I didn't take too much time out of your day. If I did I'm sorry. Have a good day and please really think about what you're doing.
